"Solving the Puzzle of Parenting . . . One Piece at a Time"

Join us for an informative and timely workshop:

Curriculum Focus: A New Approach to the Next Generation Science Standards for Grades K-5

Tuesday, October 24th

Crossroads North Middle School 7:00 - 8:30 pm

*Presented by: Jennifer Diszler (Assistant Superintendent), Shannon Ilaffaldano (3rd Grade Teacher),
Jessica Nastasi (Elementary Math/Science Supervisor) and Patricia Schuhl (Kindergarten Teacher)*

Come and Learn about:

- A new approach to our District's K-5 Science curricula, with lessons aligned to the Next Generation Science framework.
- How our young scientists will deepen their understanding of scientific ideas, through engaging in **hands-on three-dimensional learning**.
- What's happening in our District science classrooms, by viewing videos of our students in **action** and by discussing our curriculum.

Bonus! 10 lucky registrants will receive a copy of
TIME for Kids Big Book of Science Experiments: A Step-by-Step Guide by The Editors of TIME for Kids
